Alisha Barrett	Clark County Social Service Office of HIV

Welcome & Introductions

Jessica welcomed everyone and introduced the Rapid stART team Alisha Barrett and Vanessa Cruz. Jessica took a roll call of present Single Points of Contact (SPOCs) representing each agency. All committee SPOCs provided updates.

Alisha shared an overview of the Southern Nevada Rapid stART’s purpose, long-term and short-term goals, including the Rapid stART Service Continuum and overarching guiding principles to sustain the work started by the Learning Collaborative. Alisha encouraged providers to reach out to Jessica for more information about Rapid stART and possible participation.

Vanessa shared information about the status of the Rapid stART Learning Collaborative and how the agencies plan together, share experiences, and build capacity as they prepare to share their work community-wide. Vanessa went over the agencies currently participating in Rapid stART and a summary of activities that have taken place to date. In addition, Vanessa included the purpose of the Rapid stART Module, a performance measurement tool and the five performance measures adapted from HRSA’s Rapid Initiative.

Jessica went over how the Rapid stART Learning Collaborative and the CQI Committee tie together. They consist of collaborating, capacity building, looking at data, sharing experiences, reporting performance measures, and completing PDSA cycles. Jessica went over the goals from the Annual Quality Management Plan from Calendar Year 2021 and the activities in Section 8 of the CQI committee "Work Plan." Jessica shared that resources such as a Quality Improvement Newsletter and video tutorials are forthcoming on the Las Vegas TGA website. Information about the Plan, Do, Study, Act (PDSA) Forms was shared, and all agencies scheduled their technical assistance and training sessions with Jessica.

The meeting was adjourned at 10:30 am
